Headteacher's Message

As we reach the end of what has been a truly exciting first half term, I wanted to take a moment to celebrate the incredible achievements of our students and share some highlights with you in this terms newsletter.

Our students have settled brilliantly into their routines this term, and it's been wonderful to see the energy and enthusiasm they've brought to their learning every day. The positive atmosphere around the school has been tangible, and I'm immensely proud of how our young people have embraced everything we've offered them.

Thank you for your continued support throughout this busy term. Your partnership makes such a difference to what we can achieve together for our young people.

As we look forward to next term, please familiarise yourself with some of the key dates and upcoming events shared in this newsletter.

I hope you all have a restful and enjoyable break, and we look forward to welcoming the students back on Monday 10th November for another successful term.

GCSE and A Level Exam Results

A huge congratulations to our incredible students at Kingsthorpe College on their fantastic GCSE and A-Level results!

These are the result of months of hard work, dedication, and resilience – and we couldn't be prouder.

Whether heading on to A-levels, university, vocational training, or other pathways, these achievements have laid a strong foundation for a bright future.

We wish them all the best in their next chapter!

Standout GCSE Achievers:

- Maja Janikowska – 3 Grade 9s, 5 Grade 8s
- Zofia Fiega – 3 Grade 9s, 3 Grade 8s, 3 Grade 7s
- Daniel Farrow – 3 Grade 9s, 4 Grade 8s, 1 Grade 7
- Azfar Waqas – 2 Grade 9s, 3 Grade 8s, 2 Grade 7s

Standout A-Level Achievers:

- Zack Tarry – A* English Language, A Geography, A History, B EPQ
- Erin Kinnear – Distinction Drama, A English Language, B English Lit
- Luke Davighi – A Financial Studies, A Photography, B Psychology
- Tyrese Chowdhry – Distinction* Business, A Financial Studies, B Sociology, B Core Maths

"These outstanding results are testament to the exceptional education we provide at Kingsthorpe College. Our students have demonstrated remarkable determination and embodied our values of aspiration, responsibility, respect, and care."

~ Headteacher Sharan Matharu

Meet the Tutor Evening

On 17th September, we were thrilled to welcome our new Year 7 and Year 12 students and their families to our Meet the Tutor evening here at Kingsthorpe College. It was fantastic to see so many new and returning faces as we officially kick off an exciting year ahead!

The energy and enthusiasm around the college were amazing, and we're so proud to have such a strong and supportive community joining (and re-joining!) Team KC.

At the same time, our Year 11 students and families attended a focused Success Evening, where they received key information and guidance to help them prepare for the important year ahead.

We're so excited for what's to come and look forward to working together to support every student to thrive.

Awards Evening

On the 11th September, we came together to celebrate the hard work, talent, and achievements of our incredible students. We believe it is important to take the time to recognise their dedication and the support of the families who help make it all possible.

It was a wonderful evening celebrating the hard work of our students across subjects, wider school contributions as well as from our year teams.

Open Evening

A heartfelt thank you to all the Year 6 children and their families who joined us for our Open Evening last night. It was a pleasure to welcome you into our school community and to share everything that makes Team KC such a special place.

We hope you experienced the strength of our aspirational curriculum, exceptional pastoral care, and the exciting enrichment opportunities we offer — whether that was through:

- The Headteacher's talk outlining our vision and values
- Hearing from our inspiring Student Leadership Team
- Stepping into a day in the life of our Year 7 students
- Or through exploring the passion and expertise across our subject areas during your tour

We're incredibly proud of what we do, and we're excited at the thought of welcoming you to Team KC in September.

UPCOMING EVENT: Year 9 Options Evening

Our Year 9 Options Evening is taking place for Year 9 students and families on **Thursday 13th November.**

Please book your tickets on Eventbrite.

Year 11 Geographers Explore Northampton's Identity

At the beginning of October, our Year 11 Geography students were out in Northampton town centre completing essential fieldwork as part of their GCSE studies. Their investigation focused on how Northampton's identity varies by location—and whether the town has a clear sense of identity linked to the shoe and boot industry, exploring how regeneration has changed Northampton.

Throughout the day, students demonstrated our school's core values of Respect, Responsibility, and Care, supporting one another, and representing the school with pride.

They developed key fieldwork skills including:

- Field sketching
- Likert scale surveys
- Historical photo comparisons

It was a fantastic opportunity for real-world learning, we explored the university of Northampton's campus and they also did an amazing job applying classroom theory to the world around them. Well done, Year 11!

Teddy's in the building!

Keep an eye out for a paw-sitively amazing visitor around Kingsthorpe College — our beloved school dog, Teddy, is back, spreading joy, calm, and cuddles! Teddy's visits are always a highlight for both students and staff. Whether he's offering a soothing presence during a busy school day, joining in reading sessions, or simply brightening up the corridor with his wagging tail, Teddy reminds us of the power of connection, kindness, and care.

Our students love spending time with him, and it's incredible to see the positive impact he has on wellbeing, focus, and confidence.

Year 7 Defibrillator Training

On Tuesday 14th October, all of our Year 7 students took part in a valuable and engaging session as part of the National Restart a Heart Campaign. During the event, students learnt essential basic first aid skills, including how to perform CPR and how to use a defibrillator safely and effectively.

The sessions were delivered with fantastic support from the South Northants Responders, whose expertise and enthusiasm helped make the day both informative and inspiring.

This learning forms an important part of our PSHE curriculum, ensuring students gain the confidence and knowledge to take action in an emergency situation. We are incredibly proud of our Year 7 students for their enthusiasm and willingness to learn such vital life-saving skills.

A huge thank you once again to South Northants Responders for their time and dedication in supporting this important initiative.

Year 10 Success Evening

A huge thank you to all the families and students who joined us on the 15th October for our Year 10 Success Evening at Kingsthorpe College. It was fantastic to see the hall full, with such strong support from our community. Tonight was all about being ambitious, striving to be your very best, and starting Year 10 with the right mindset and tools for success.

We shared practical revision tips, explored how to stay motivated, and highlighted the vital role of parental support in helping our students reach their full potential.

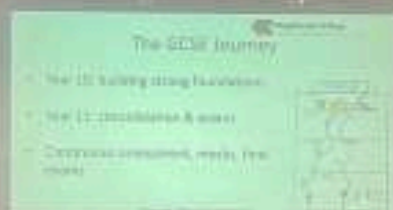

Slides and key subject information from the evening will be shared with all families — so please keep an eye on your inbox.

A special thank you to our amazing Year 10 team for their dedication, energy, and support in helping our students start this important year so positively.

We're proud to be on this journey with you and can't wait to see what this brilliant year group will achieve.

Let's aim high and make Year 10 count!

"Grab a chance and you won't be sorry for a might-have-been."

UPCOMING EVENT: Post-16 Open Evening

Our Post-16 Evening is taking place on **Wednesday 19th November.**

Please book your tickets on Eventbrite.

PAN Trust Enrichment - Debating

Celebrating Our Year 10 Debate Stars!

At the end of September, some of our incredible Year 10 students took part in our Trust Debate Event — and what a fantastic experience it was!

Students had the opportunity to take part in a professional workshop led by a qualified lawyer, where they developed key debating skills, worked in teams to build compelling cases, and finally stepped up to the challenge in a full debate competition.

We're so proud of the confidence, teamwork and critical thinking shown by all who took part!

A huge congratulations to Niamh, who was part of the winning debate team alongside students from Southfield, and to Flora, who was awarded Best Debater of the event!

Well done to all involved – we can't wait to see where your voices take you next!

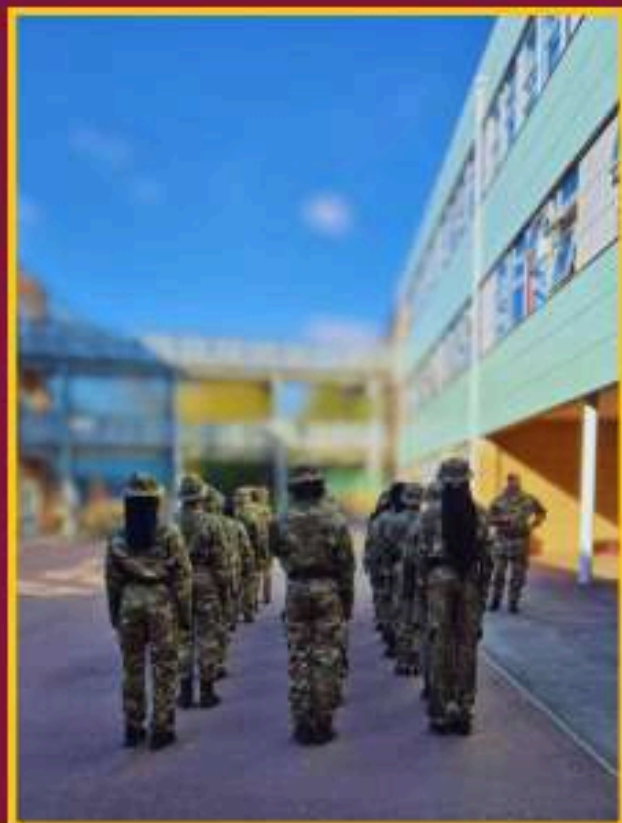

CCF Parade night

On the 25th September, we held our first parade night for our new CCF (Combined Cadet Force) contingent!

We were thrilled to see our new cadets proudly join our existing members in uniform, demonstrating outstanding commitment, discipline, and team spirit from day one. Their enthusiasm and sense of pride set the tone for what promises to be an incredible journey ahead.

A huge thank you to our staff, cadets, and families for your support.

Subject Showcase

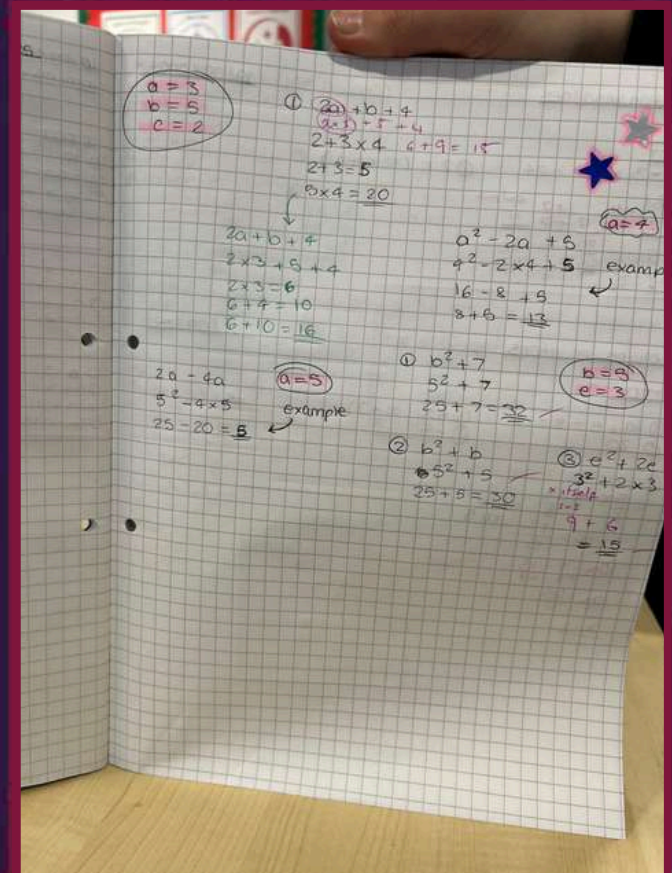

Maths

Our students have hit the ground running this term with an excellent start in Maths!

Their books are neat, well-organised, and packed with tasks completed to a high standard.

We're so impressed with the effort and care being shown — a clear reflection of the high expectations we set for presentation and quality of work.

Keep it up! Your hard work and dedication is setting the tone for a brilliant year ahead.

English

The English Department are very proud of the level of work produced by our students this term — not only during lessons but at home as well!

In this newsletter, we want to highlight the incredible piece of Macbeth homework by one of our Year 10 students, Madeline A.

The fantastic high standard displayed here shows a real positive and dedicated attitude towards English, and we couldn't be more thrilled.

We love to see when our students are passionate about a subject, and Madeline is just one of many students who demonstrate their enthusiasm in their work.

Keep exploring the literary world with curiosity and enthusiasm!

10E-ENT

Through the contrasts between the characteristics of monarchs Edward, Macbeth and Malcolm, Shakespeare explores defining qualities of rightful kingship and catastrophic consequences of ambition and illegitimacy. In doing so, emphasis is put on the necessity of the natural order and highlights the central juxtaposition between order and disorder.

In Act 4 Scene 3, Shakespeare uses Malcolm's description of King Edward the Confessor to present an image of a rightful, divinely chosen monarch. As Malcolm speaks, he displays King Edward's selflessness when he says, "How he solicits heaven, himself best knows," showing his deep and personal faithful relationship with God. King Edward's religious acts convey a sense of pure compassion and the way he "solicits heaven," shows that his desire to help others is genuine and not done with the intent of personal and selfish gain. Furthermore, this phrase also solidifies the idea that King Edward is the rightful king of England as it links him to God showing his authority directly comes from the divine making him conform to the divine right of kings. This religious imagery also portrays King Edward as a healer who has been gifted by God showing he has the highest power on his side unlike Macbeth who has been abandoned by him due to his act of regicide. Moreover, the fact that "himself best knows" is an admirable quality as it shows that King Edward does not boast about his achievements and virtuous deeds as he finds substantial praise in his quiet faith and services. In addition, this short sentence proves that all of King Edward's actions benefit England, making it a fruitful, prospering country. A Jacobean audience would have worshipped a king with the country's best interest at heart and found comfort in the knowledge that their monarch's priority was their safety. → link to James and Shakespeare's purpose

Contrarily, Shakespeare constructs Macbeth to directly contrast King Edward, presenting him as the image of a tyrannical and unnatural kingship using Malcolm as an advocate once again. This is shown when Malcolm states that Scotland "Weeps, it bleeds, and each new day a gash is added to her wounds." This indicates Macbeth's selfishness as he is acting oblivious to the fact that his actions are affecting the country. The personification of the country hyperbolises the vulnerability and endangerment of Scotland ever since it was stripped of Duncan's rule and usurped by Macbeth. This increases the magnitude of Macbeth's actions, therefore villainising him and making him a tyrant. Furthermore, the recurring motif of pain and damage seen in the words "bleeds," "gash" and "wounds" shows a constant feeling of deep affliction, meaning Macbeth lacks benevolence and does not take on the nurturing attributes as King Edward does. This links in with the reputation of

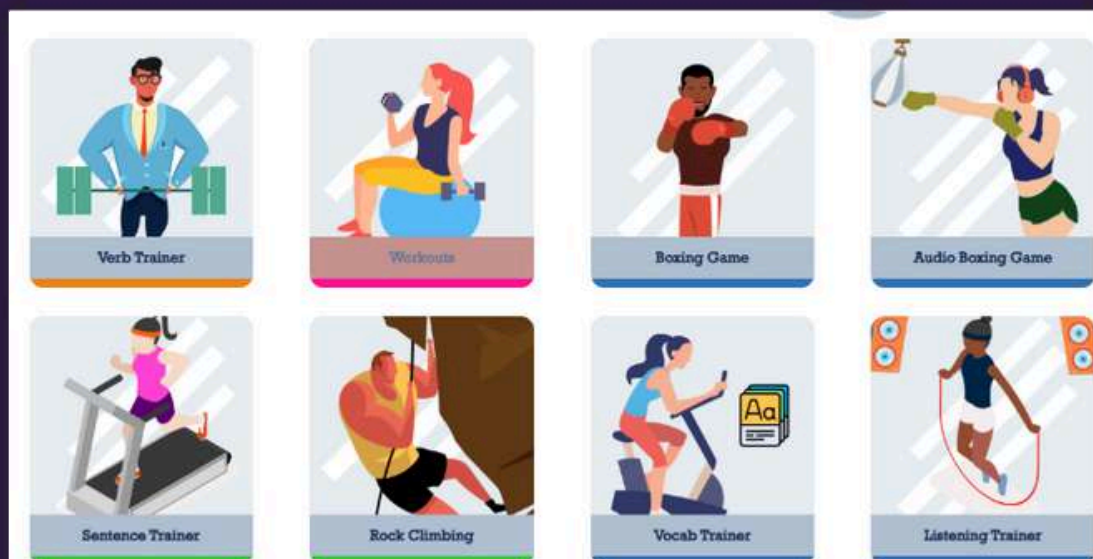

Modern Foreign Languages

The Languages Department continues to use The Language Gym website (Language Gym - Home) to support our language learning. This is a website designed by Gianfranco Conti, who is a specialist in applied linguistics, and how we learn languages.

Every student who studies a foreign language is given access to the Language Gym, which can be used for self-study, as well as for homework assignments and revision. There are many different exercises and games on the site that promote vocabulary learning, sentence building and fluency – for example try the Boxing Game to increase your speed in using the target language!

We hope your children find the site useful; their teachers will have explained how to access the website. Students and parents alike are welcome to explore the site unaided to improve their language, rather than wait to be set some homework.

Here are some of the different games you can play:

Students log in with their school email address and their password will be password, unless they have changed it already. If your son or daughter is having difficulty accessing the website please let us know and we can send you a document to help support.

Bonne Chance / Viel Glück!

Performing Arts

Our incredible group of drama students is hitting the road as they begin their cross-country journey working on Othello with none other than the Royal Shakespeare Company (RSC)!

From rehearsals to performances, they'll be diving deep into one of Shakespeare's most powerful tragedies — exploring themes of identity, jealousy, and betrayal alongside some of the UK's finest theatre professionals.

Follow their journey on our Facebook page as they bring the Bard to life across the country!

Visual Arts

Our talented Year 11 students are fully immersed in creating their GCSE final pieces — and we couldn't be more proud of their creativity, focus, and commitment. We believe in trusting the process, and it's clear we have some truly amazing young artists in the making. Keep going — your hard work is already shining through!

Meanwhile, our Year 7 students are laying strong foundations as they explore the core techniques of shading and tone. It's fantastic to see their enthusiasm and curiosity grow as they develop their skills — real budding artists in the making!

Sports and PE News

Recent Fixtures and Results

We are very proud of our football teams at KC and the amount of effort and dedication they throw into every game they play.

Here are the results of our recent games:

Game (e.g. league/county/national cup)	Year group	Against	Score	Player of the Match
Football County Cup	8	DSL V	Won 0-8	Luke S.
Football Tournament @MAA	7	Various	Won	Roque N.
Football County Cup	7	Bishop Stopford	Won 1-7	Kody G.
Football National Cup	11	Wollaston School	Won 5-6	Harry S.
Football National Cup	11	Northampton Academy	Lost 1-2	Jack A.
Football County Cup - Girls	9	Wooton Park	Won 10-0	Hannah N.
Football County Cup - Girls	10 & 11	Caroline Chisholm	Lost 4-0	

We have a number of extra curricular clubs available on a weekly basis. Should students wish to get involved in any of these, please speak to the teacher organising the club.

- Lunchtime clubs do not require PE kit, just a pair of trainers for the activity.
- After school clubs require PE kit to be worn.

All clubs are run, free of charge, by the PE team.

After School

Extra-Curricular Participation Clubs

	Monday	Tuesday	Wednesday	Thursday	Friday
Lunchtime	Table Tennis  Mr Smith	Dodgeball  Miss Smith		Badminton  Miss Newell	Post 16 Sports Mr Wright
After School	Basketball  Mr Griffiths CNAT Intervention Miss Smith	CNAT Intervention Mr Kingsnorth		Football  Mr Wright and Mr Smith Netball  Miss Smith CNAT Intervention Mr Kingsnorth	

Sports Clubs at KC

Sports clubs at KC are free of charge and run by our PE staff. Lunchtime clubs take place from 13:40-14:00. After school clubs take place from 3:15 to 4:15. Students should arrive promptly for the start of clubs. PE kit is required for after school clubs. Students should bring trainers for lunchtime clubs.

Dream Big. Work Hard. Stay Humble.

PE Achievements

At the end of each activity block in core PE, staff will be recognising students who have demonstrated an excellent attitude, effort or application to their lessons. This also applies to option students in both Sport Science and CNAT Health and Social Care. Each staff member will nominate a child from their group and these names are placed on a board in the PE department and a message is sent home to parents.

This has gone down really well so far, with students being really proud to see their names on the board!

Our first set of winners are for Health and Social care and those that have finished their first activity block in core PE are shown in the table on the right.

Gemma C.	9	PE
Flynn S.	9	PE
Daniel H.	9	PE
Harley W.	9	PE
Lucas E.	9	PE
Paige P.	10	H&S
Lewis S.	10	PE
Anastecia Y.	10	PE
Eb S.	10	H&S
Olivia L.	10	PE
Dylan M.	11	PE
Olivia M.	11	PE
Ruby C.	11	PE
Kostas B.	11	PE
Matas O.	11	PE
Timeea E.	11	H&S

The Lionesses are coming to Sixfields!

The England Lionesses U23 team are coming to play Portugal U23 at Sixfields on Monday 27th October.

Northampton Town FC Community Trust would like to offer the chance for parents and carers to book their tickets (£5 each) and receive an U16 ticket free of charge by using this code:

SCH1901 (LCS East Stand only).

Electives Showcase

Golf Elective in Full Swing!

Every Wednesday, students take to the green as part of our exciting Golf Elective, developing skills in focus, precision, and sportsmanship. Under the expert guidance and enthusiastic support of Mr Smith, students of all abilities are thriving and enjoying the challenge of learning a lifelong sport.

From perfecting their swing to navigating the course, it's fantastic to see their confidence and technique improve week after week. A great way to stay active, learn new skills, and have fun!

KC Wombles start wombling!

September 2025 saw the inception of an exciting, new elective at Kingsthorpe College – The KC Wombles (not from Wimbledon Common, for those of us old enough to remember!)

We started this elective by looking at our reasons for tidying up our local area and the impact that rubbish can have on our environment, wildlife and wellbeing. We have visited Scholar's Green and Bradlaugh Fields with our litter pickers and rubbish bags and found all sorts of rubbish, which we have cleaned up as a team.

We have been fortunate with the weather so far and plan to continue this elective into the winter months, with the hope that we can play a small part in keeping our local area clean.

Mrs Barr and Miss Sherred would like to say well done to all of the students who have signed up to this worthwhile elective, a few of whom are using it for their Duke of Edinburgh volunteer section.

Let's keep wombling!

Post-16 News

Year 12 Take Part in 'My Pink Trainers' Workshop with Kier Group

On 13th October 2025 our Year 12 students took part in an engaging and thought-provoking 'My Pink Trainers' workshop, delivered by Kier Group in partnership with the Northamptonshire Safer Roads Alliance.

The session was designed to support young people as they begin learning to drive, helping them understand the true costs and responsibilities that come with being behind the wheel. Students explored practical tips for staying safe on the road and reflected on how a single moment of poor judgement can have life-changing consequences — both for themselves and for others.

The workshop was both powerful and informative, giving students an important insight into road safety and responsible driving.

A huge thank you to Kier Group and the Northamptonshire Safer Roads Alliance for delivering such an impactful and meaningful session for our Sixth Form students.

MOCK EXAMINATIONS

Please add the following dates to your diary if you have a child in Year 11 or 13:

Year 13 - Monday 17th November

Year 11 - Monday 24th November

Aston Martin Formula 1 Team Inspires Sixth Form Students

On Wednesday 8th October, our Year 12 and Year 13 students had the fantastic opportunity to take part in an exciting and engaging careers workshop delivered by Debbie and Kim from the Aston Martin Formula 1 Team.

As part of our ongoing partnership programme with Aston Martin F1, the workshop gave students a unique insight into the professional world of one of the most prestigious teams in motorsport. Debbie and Kim led an interactive and inspiring session focused on building and maintaining a positive online presence, creating an effective LinkedIn profile, and understanding what employers are really looking for in today's competitive job market.

Students also benefited from practical CV-writing tips to help them stand out when applying for future roles and placements, as well as important advice on online safety and managing their digital footprint responsibly.

The session was extremely well received, with students describing it as motivational, informative, and highly relevant to their future career aspirations.

A huge thank you to Debbie and Kim from Aston Martin Formula 1 for delivering such an engaging workshop and for continuing to support our students through this exciting partnership.

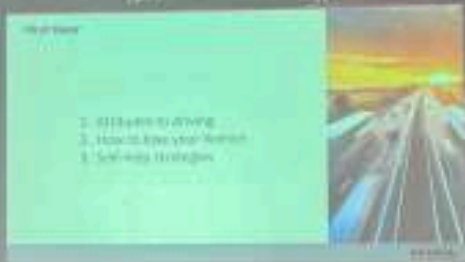

Year 13 Road Safety Workshop

On 20th October, our Year 13 students took part in an important Road Safety Workshop, delivered by the Northants Safer Roads Alliance. The session aimed to raise awareness of the risks and consequences associated with unsafe behaviour on the roads.

Students explored the dangers of drink and drug driving, learning about the serious impact these choices can have on lives and futures, as well as the legal implications — including driving bans, heavy fines, and potential prison sentences. The workshop emphasised how the law applies to all road users and the importance of making responsible decisions behind the wheel.

In addition, students learned about the current laws regarding e-scooters and e-bikes, gaining a clear understanding of what is legal and illegal when using them on public roads and pathways.

This informative and engaging session provided our students with valuable knowledge to help them stay safe, make informed choices, and understand their responsibilities as future drivers and road users.
